Jill got the
disk and the
best bin!

A Gal Can Do It!

Jill has a hard task - piles of cobblestone everywhere, and the line at the stone-disposal bin is far too long! Can she really build her own bin with just a list of parts, a bucket, and a whole lot of stubborn grit? When things go wrong and a tiny piece goes missing, will Jill figure it out before the sun sets? This decodable reader practices VCC/CVCC words such as 'hard,' 'task,' 'list,' 'fast,' and 'best.'

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
