Cod

Deep in the cold sea lives the fastest, sneakiest cod on the whole coast - and nobody has ever caught it. Then along comes Steve, who has no rod, no net, no boat, and absolutely no plan. Just confidence! Can Steve outsmart a fish that's slipped through every fisherman's fingers? And what happens when he spots a bucket washed up on the sand? This decodable reader practices VC/CVC short vowels with words like 'cod,' 'sat,' 'ran,' 'hid,' and 'got.'

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
