

I Choose That Home!

Ling brings figs
to Nan. 'That
huge house up
on stilts! I want
THAT house!'

A bell rings. Ling
smells hot lunch.
The shop is a
home! 'I want
THAT house!'

A gang of kids
runs and jumps.
'So much fun! I
want THAT house!'

Stacks of fruit
in the sun!
Ling longs for
all of it. 'I want
THAT house!'

Up top, a mum
makes a cape. A
kid clings close
to watch. 'I want
THAT house!'

Bang! A man fixes
a huge bike in his
house. The bang
rings out as the
dog and child grin.
'I want that
house!'

The land ends. A house swings on the waves! A kid hangs a net off the deck. 'I want THAT house!'

'Each home is
strong,' sings
Miss Ung.

'Which one is
best?' Hands
spring up.

'Which home,
Ling?' Ling grins.

'THAT one! And
that one! And

THAT one!' Ling
sings.

I Choose That Home!

Ling is delivering figs to Nan, but every house along the way looks more exciting than the last. A stilt house in the sky? A shop that smells like lunch? A garage with a roaring bike? Even a house floating on the waves! Which one will Ling choose for a forever home? This decodable reader practises the 'ng' sound in words like 'bang,' 'brings,' 'rings,' and 'sings.'

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
