

Pig

She sniffs

with zest!

The smell is

not the best!

She grins
at the smell.

'Hi, Pig! I
can tell!'

Arms up, Girl
runs with zest!

Pig runs next
and will not
rest!

Pig lands in a
mud spot!

Mud drops on
the dress, a
lot!

The girl sits on

a branch, still.

Glum Pig just

sits by the hill.

Pig grins in
boots, so
glad. The girl
sings, not sad.

Stop! Do not
grin. Mom
will not let
Pig in.

They slip in,
not so fast.

Mud prints tell
they went
past.

She helps Pig
with gloss.

Pig grins. Pig
is the boss!

Mom spots Pig and is
not glad. Mud drips and
Mom is mad.

Get in, plop
plop! Scrub
off mud and
do not stop!

Oh! Not a pig,
a pug! The girl
grins and
grabs a hug.

Pig

What happens when a curious girl follows her nose to the smelliest surprise in the park? Something stinky is hiding behind a bush, and when she finds a muddy creature with a goofy grin, she knows she has to keep it! But how will she sneak it past Mom, and what's really under all that mud? Get ready for mud puddles, muddy footprints, and a very bubbly bath. This decodable reader practices CCVC/CCVCC blends in words like 'drops,' 'scrub,' 'stomps,' and 'grins.'

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
