

Stop,
Broom,
Stop!

Mom shows
Kate a note:
'She shall
land at sun
up!'

They each
grab a brush
and a rag.
'Dash and
wash!' Kate
shouts.

Kate grabs the broom. It shakes and tugs back.

'Hush!' she yells.

The broom zips
up fast. Kate
grips on tight as
her shoes lift
off. 'Stop, broom,
stop!' she yells.

Smash!

They crash
on a hill.

The kids
gasp in
shock.

Dust and
trash fill the
broom. 'I
shall fix it,'
says Kate.

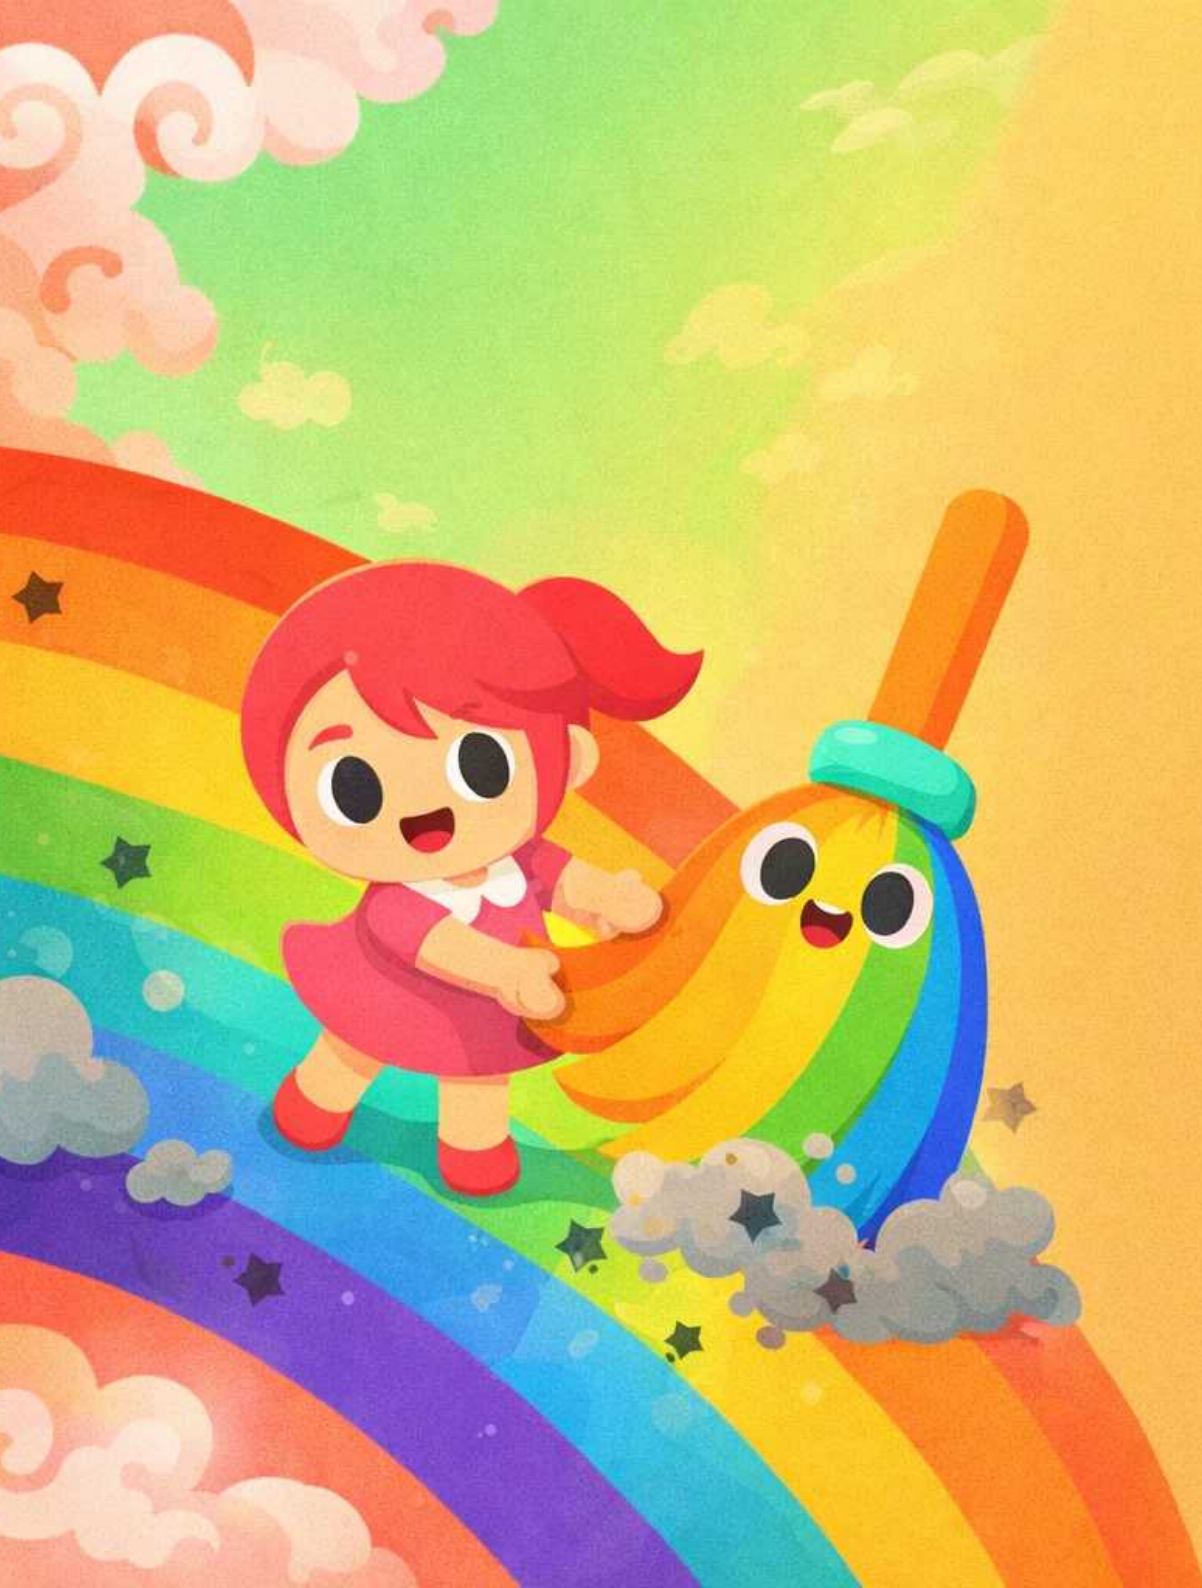

Kate sets
the broom in
a tub.
Splash! Fresh
wash time.

Next, Kate
smooths each
stripe. Each one
shines, so fresh!
The broom
shakes with a
big smile.

They fly to
the rainbow.
Swish swish!
It starts to
shine.

Down drifts
the Wind
Princess. Kate
shouts out,
'She is here!'

The rainbow
shines, and
Kate grins
up at it.

Kate wipes the broom. 'So fresh!' says Kate with a grin. Then the broom winks back at her.

Stop, Broom, Stop!

The Wind Princess is coming at sunrise, and everything at the Rainbow Tower must sparkle! But what happens when Kate reaches for the big magical broom and it growls, dodges, and zooms straight out the window with her still holding on? Can Kate tame a grumpy broom, or will the whole kingdom miss its chance to shine? Buckle up for a wild, bubbly ride above the clouds. This decodable reader practices the 'sh' sound in words like 'brush,' 'dash,' 'splash,' 'fresh,' and 'shine.'

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
