Gad Hits It!

Meet Gad, the friendliest ghost in the forest - green skin, cheeky grin, and absolutely no one to play with! When he spots a group of kids having fun in the park, Gad is sure he's found his new best friends. But will they run away screaming, or will a silly cat, a clever disguise, and a very bouncy volleyball game change everything? This decodable reader practices VC/CVC short vowels through words like 'Gad,' 'lad,' 'cat,' 'ran,' and 'hid.'

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
