

**Go,
Troll Kite,
Go!**

Sun is up, sky
is wide! My
kite will glide
at my side!

A huge kite
bites the sky!

A fish kite
glides on by!

But first my
kite frame must
be fine. Side
by side and
line by line.

To make it I
cut a shape. I
made it stick
with tape.

I fix the twine
on to my line. I
race and run,
and it is so
fine.

I gave my
kite a smile.

It took me
quite a while.

Up it lifts with
so much
grace. Can it
win the huge
kite race?

Up high my kite

can glide. I

smile with so

much pride.

Go, Troll Kite, Go!

Rain, rain, and more rain - will the sky ever clear? When the sun finally breaks through, it's time to race outside with a homemade kite and a very special secret weapon painted right on the front: a troll queen with a golden crown and the biggest smile around. Can she soar higher than the monster kite and the fish kite too? Get ready to cheer! This decodable reader practices silent e words such as 'kite,' 'glide,' 'shape,' 'smile,' and 'pride.'

Reading Skills: Silent final e

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
