

He Has a Cold!

Achoo!

An Unofficial Minecraft Book

Nitwit was sick but wouldn't admit. "Not sick!" he told Jack.

"Not one bit!"

Arms crossed, standing tall. "I'm fine! Not sick at all!"

Nitwit went on
the thick grass
track. His nose
gave a twitch,
then... achoo,
what a crack!

Nitwit snuck back to his shack. Cat sat snug, plump and black.

Then... achoo! Huge shock for Cat! She shot up, stiff and flat!

Nitwit went to check
on Dog, who felt sick.
His nose ran and his
breath came quick.

Dog's huge achoo
made Nitwit duck.
Nitwit said, 'Yuck,
yuck, yuck!'

Back in his shack,
Nitwit had no luck.
'Not sick, just dust
and muck!' Achoo!
He fell flat on his
back, and the
whole shack went
crack!

The bed was soft,
red, and **thick**. But
Nitwit yelled, 'I am
not **sick!**' He crossed
his arms, chin
tucked to his **neck**.
He shook his head,
'Go on and **check!**'

He Has a Cold!

The Nitwit has come down with a terrible case of the sneezes! Every time he goes 'A... A... A... choo!' something funny happens. First his cat catches it, then his dog starts sneezing too! But the silly Nitwit won't go to bed - he just keeps standing on his mat, sniffing away. Will someone finally convince this stubborn fellow to rest and get better?

back, black, check, crack, duck, jack, muck, neck, quick, shack, shock, sick, snuck, stuck, thick, track, yuck

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
