

AN UNOFFICIAL MINECRAFT SERIES

DR. CAN DO

JILL JOINS
THE
MAGE

Jill has a plan. 'I must go to the Nether,' she tells the Mage. He grins with joy. 'Join me! I know it well!'

Doc, her pal,
beams at Jill. 'The
Nether has beasts
that stomp on hot
lava!' he tells her.
She blinks. 'That
sounds bad.'

'Big beasts toil on the lava,' the Mage says. 'Jump on and ride! Do not spoil the fun.' Jill gapes. 'Ride on lava?'

Jill grins. 'No lava ride! The best choice is a path!' Doc nods. 'Yes! I will join in and help!'

The Mage
stands tall by
his home. He
grins with joy. At
last, he will not
be on his own!

Down in the cave, Jill tips her bucket on the lava. It boils with a loud hiss, and dark rock forms fast!

That night, the Mage can not sleep. He lies in bed with a big grin. He thinks of the joys in the Nether!

The Mage points
his staff up high.
The gate blazes
to life with coils
of light. Then
they join hands
and step in.

Jill Joins the Mage

Jill needs ancient debris - and the only place to find it is the Nether! Will she join the Mage and Doc on a wild trip through a portal of swirling light? The Mage grins with joy at the thought of riding big beasts across bubbling lava, but Jill has a better idea. Can clever bridges spoil the danger before it ruins the whole quest? This decodable reader practices the oi/oy phonogram in words like 'join,' 'joy,' 'choice,' and 'coils.'

boils, choice, coils, join, joy, joys, points, spoil, toil

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
