My Curls

What would YOU do with hair big enough to block the sun, wrap you up in winter, or hide a whole dog inside? Every morning, it has a new plan - a puff, a twirl, a giant square for dress-up day! But when one big snip changes everything, will long hair ever come back? This decodable reader practices CCVC/CCVCC blends in words like 'clips,' 'twists,' 'grins,' and 'swirl.'
