

AN UNOFFICIAL MINECRAFT SERIES

DR. CAN DO

**NOT AGAIN,
DR. CAN DO!**

Dr. Can Do
has a mess.

His hut is
full, no less!

His stuff is
set in bins.
Dr. Can Do
just grins.

Slabs and
slabs clump
up, yuck! Dr.
Can Do is
stuck.

He zips off in
his cart. 'Hot
lava! That's a
start!'

Dr. Can Do
got a grand
plan. 'Chuck
slabs, yes I
can!'

Dr. Can Do
works fast.
Slabs go in,
lava blast!

Dr. Can Do
has a grand
grin. 'Yes, I
did win!'

Red dust is
in a clump.

Dr. Can Do
is in a slump.

Not Again, Dr. Can Do!

Dr. Can Do's workshop is a disaster - there's stuff in every corner, slabs piled to the ceiling, and barely room to stand! Can a clever inventor tidy up without getting distracted? What happens when he spots the bubbling lava pit and gets That Look in his eye? Will his brilliant new plan actually solve the mess, or make things even worse? This decodable reader practices CCVC/CCVCC blends in words like 'blast,' 'clump,' 'grand,' 'slabs,' and 'slump.'

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
