

# Pests!

An Unofficial Minecraft Book

Skel checks  
each speck in  
his brick shack.  
Zom just grunts,  
'Dirt is fine, step  
back!'

Jack just grins  
and shrugs. He  
will not pick. He  
lets the muck  
stack up so  
thick.

Skel stands  
still and grips  
the stick. The  
muck is wet,  
the mess is  
thick.

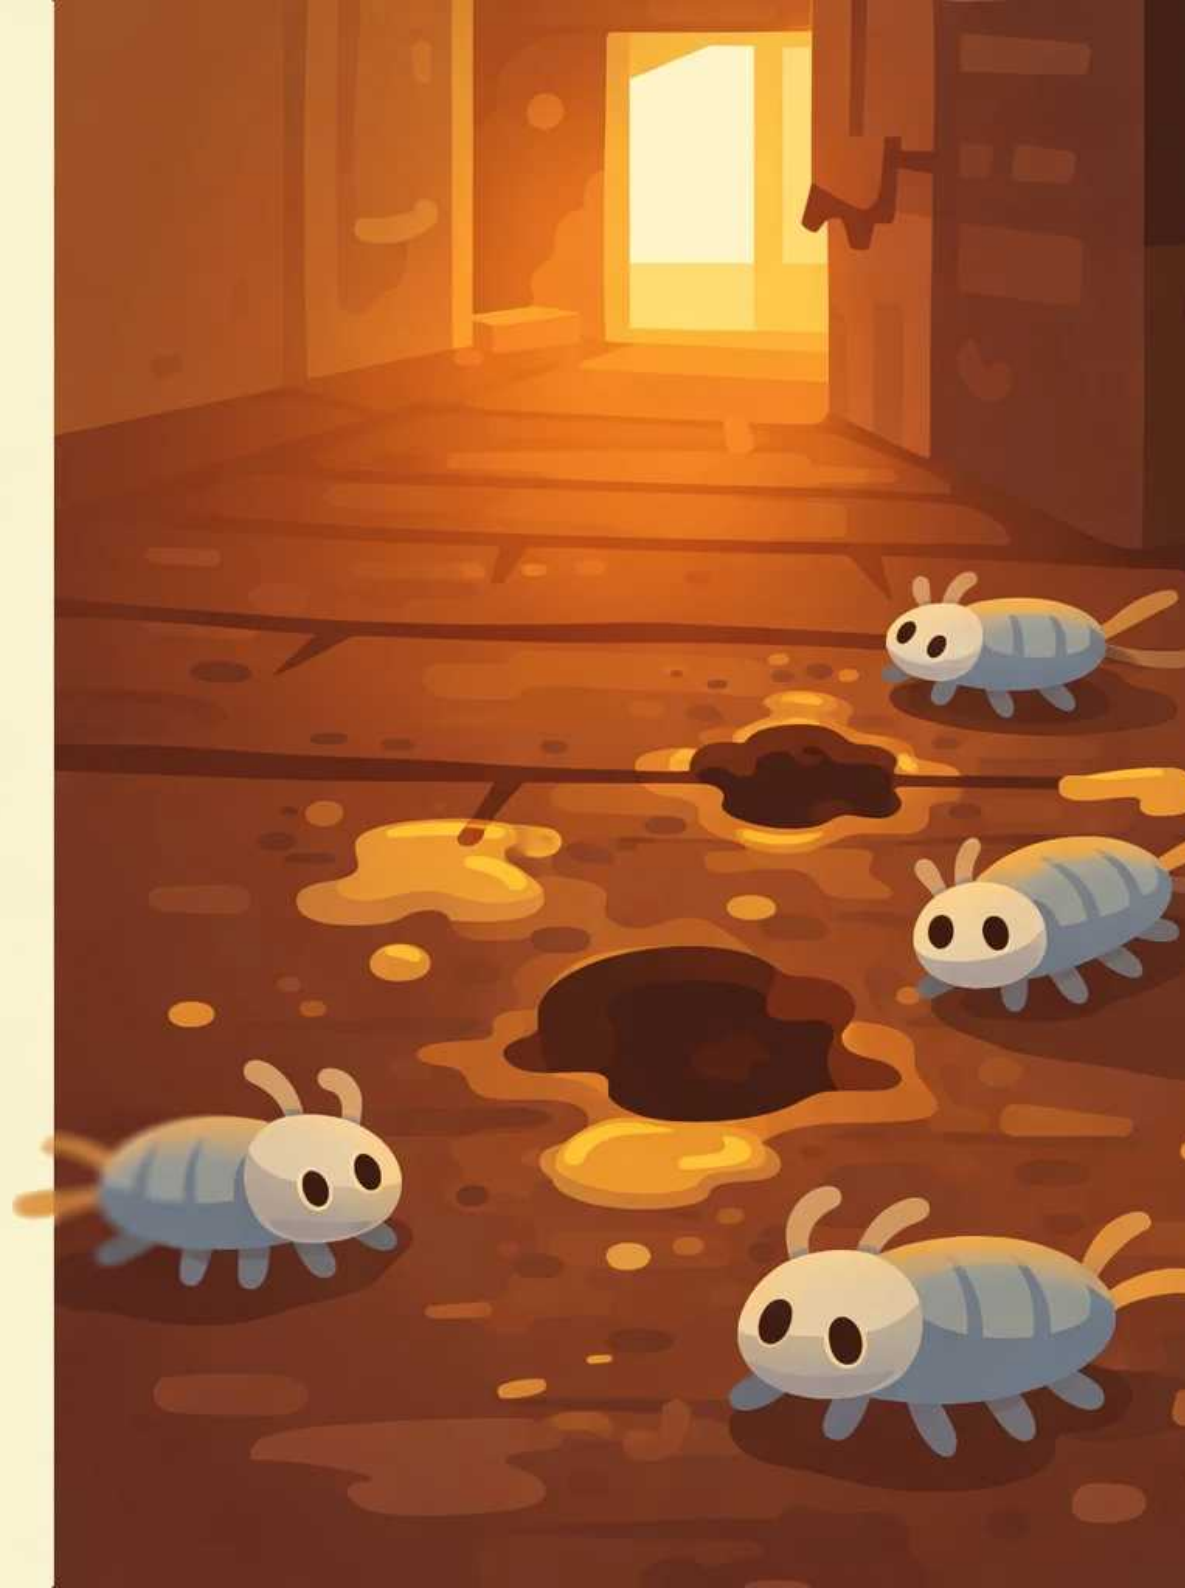

At first the  
days are not  
so bad. Out  
back, Zom  
and Jack are  
glad.

Day by day  
the stink gets  
thick. But Zom  
just grins. He  
is not sick!

The shack  
floor is full of  
muck. In each  
crack,  
silverfish are  
stuck!

Zom picks a  
snack and  
starts to  
munch. But flies  
swarm thick all  
on his lunch!

Jack picks up  
clothes set in  
a stack.

Spiders rush  
out and he  
jumps back!

Pets rush in to  
whack a pest.  
The bugs swarm  
thick. They get  
no rest!

Zom and Jack  
beg Skel for a  
hand. He will  
help. But all  
must take a  
stand!

## Pests!

What happens when Skel the skeleton gets tired of cleaning up after his messy housemates? When Zom and Jack refuse to lift a finger, the muck piles up thick and fast - and soon something starts scuttling in the shadows. Will the boys learn their lesson before the bugs take over the whole shack? A funny, creepy-crawly tale about mess, friendship, and pitching in. This decodable reader practices the ck sound in words like 'brick,' 'muck,' 'snack,' and 'whack.'

Reading Skills: <ck>

back, brick, checks, crack, jack, muck, pick, picks, shack, sick, snack, speck, stack, stick, stuck, thick, whack

### Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at [www.bookbotkids.com](http://www.bookbotkids.com).
