# PING

AND THE

# GANG

The sea is  
huge! It is long  
and wide. It  
goes on and  
on, all over  
the world.

The sea splits  
the land. A  
small sand hill  
springs up  
from it.

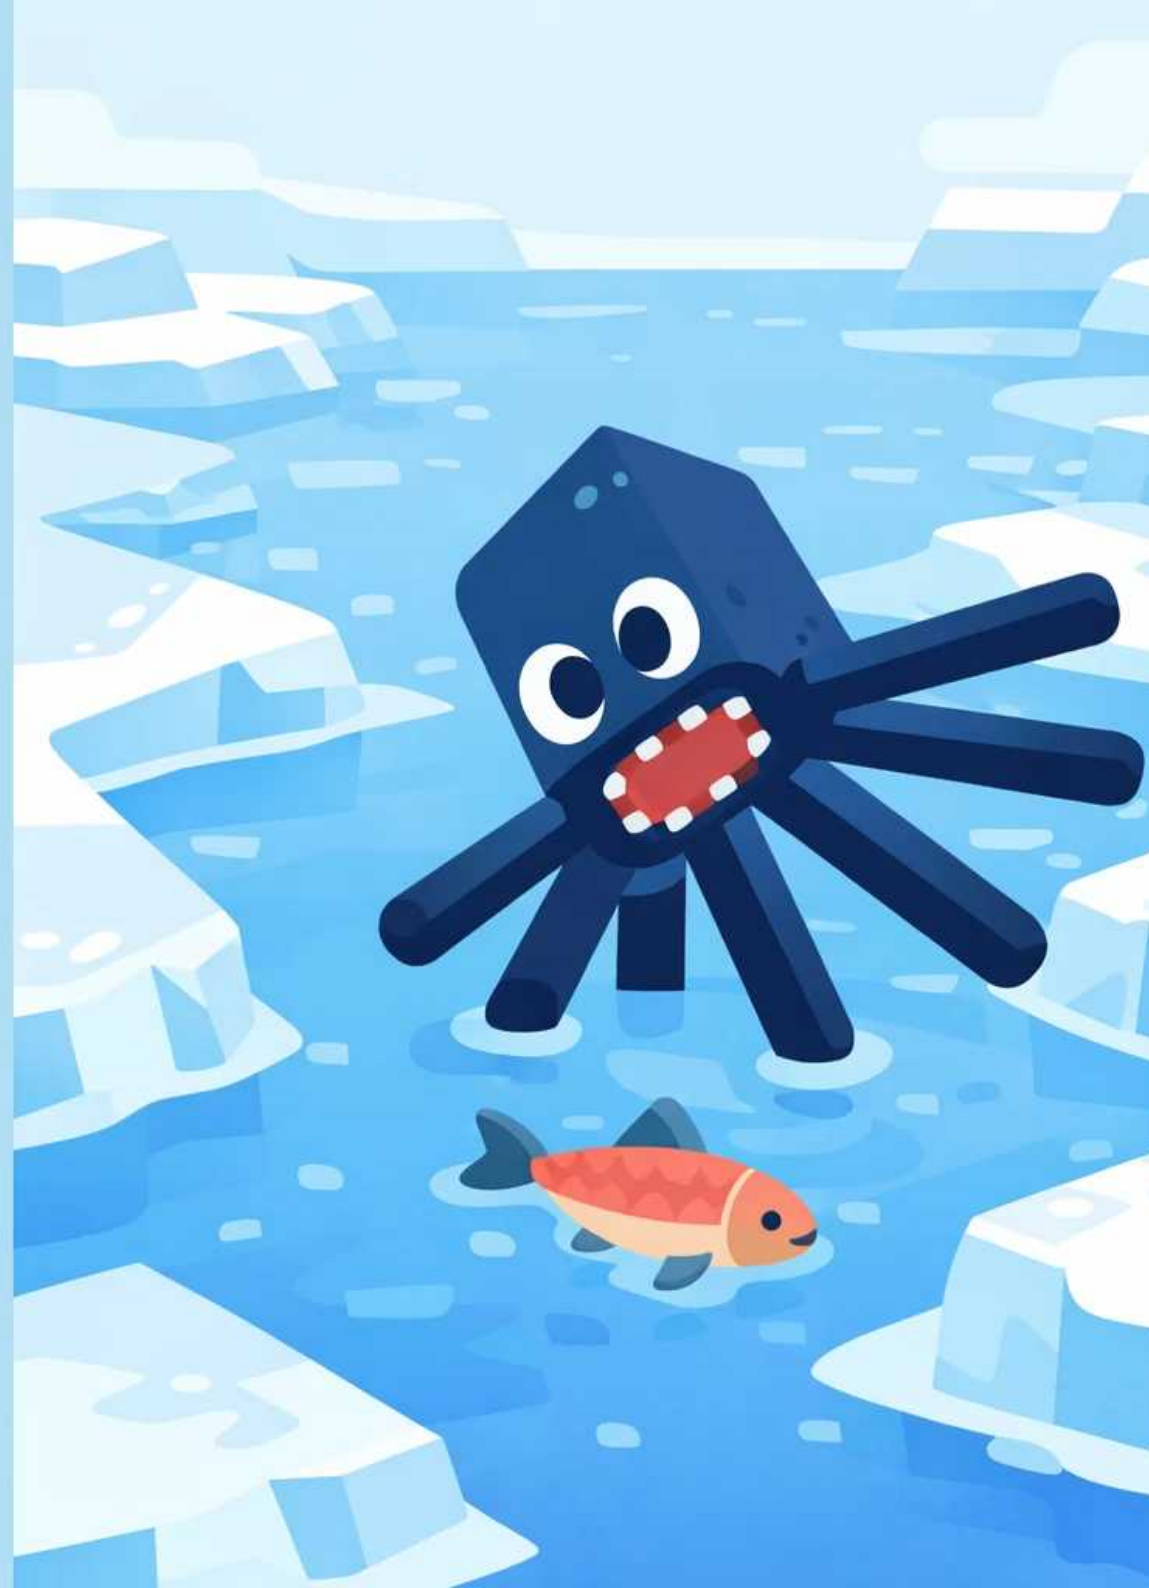

Ping the fish  
swims in a  
warm sea.  
Kelp springs  
up from the  
sand.

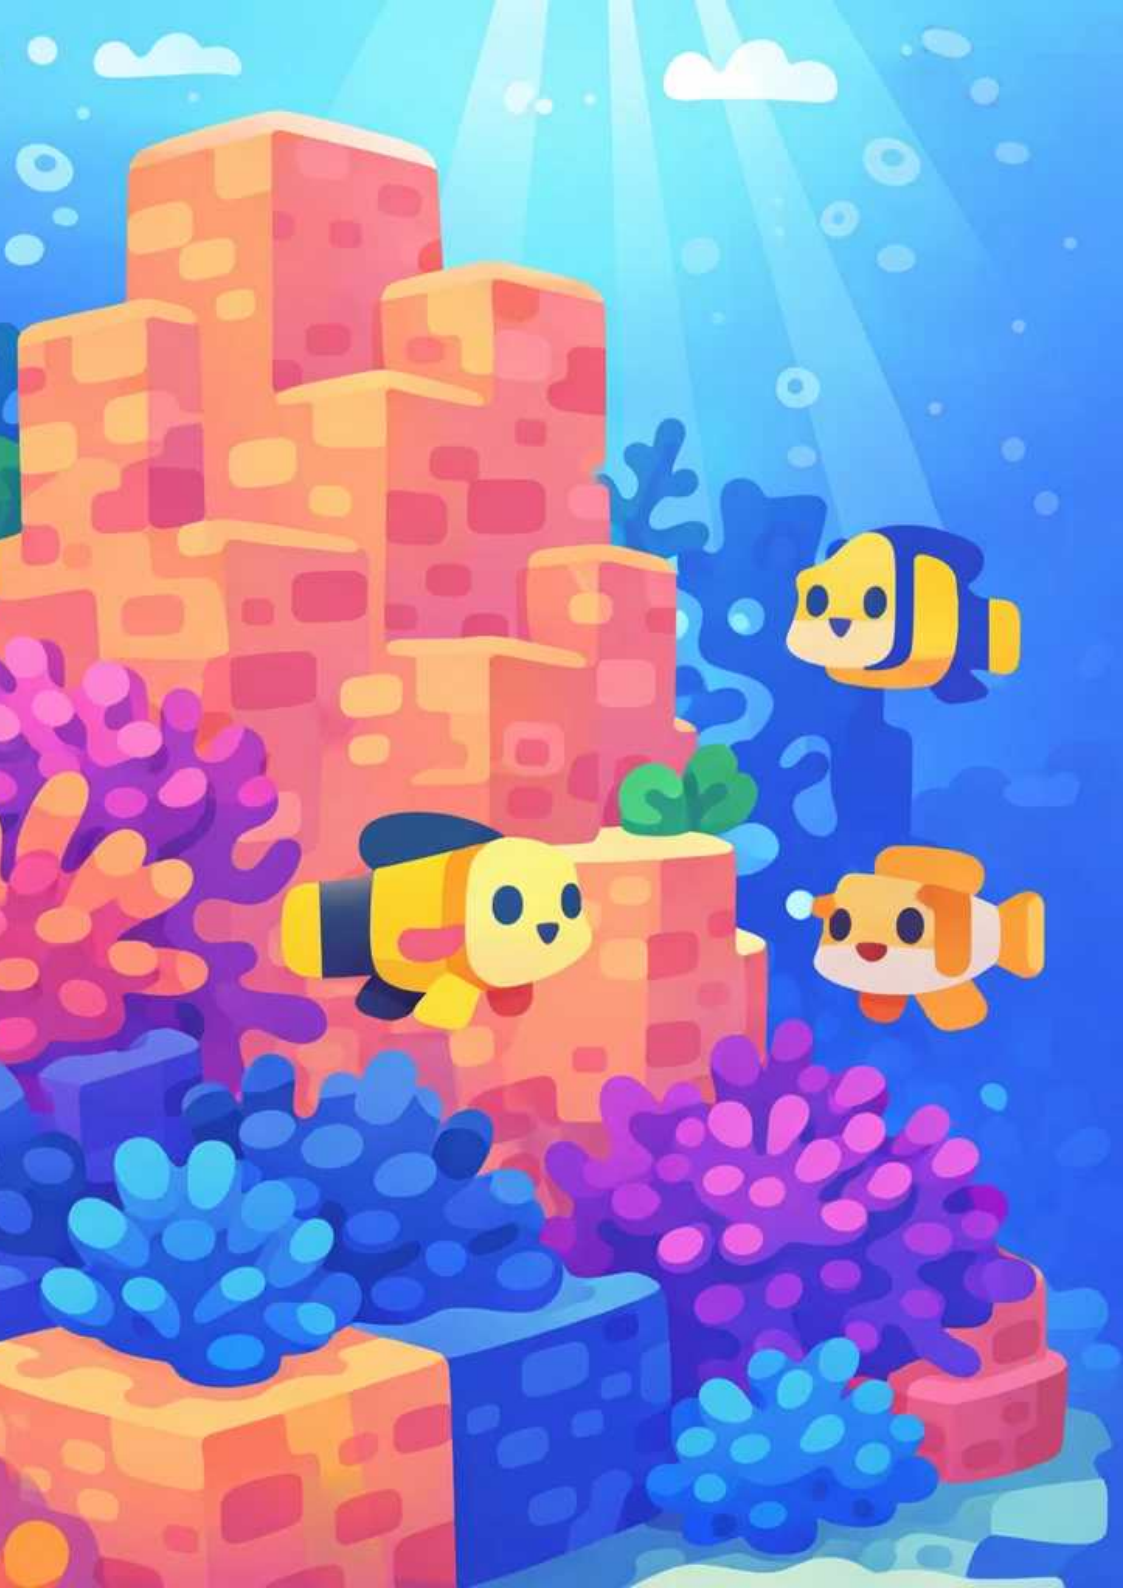

Cold seas are  
dark and dim.  
The sea bed is  
grit and mud.  
Cod, salmon,  
and squid swim  
in the deep.

Ice drifts on  
this long, cold  
sea. A squid  
and a fish  
swim past.

Back in the warm sea, Ping swims past a huge reef. Pink things cling to the rocks.

A strong  
mob hangs  
in the deep.  
It flings a  
long zap.

Tang rests on  
the sand with a  
young pal. Ping  
and the fish  
gang swim in  
the sea.

Ping, Tang,  
and the squid  
live well in a  
strong sea. It  
brings long life  
to all things.

We must all  
help the sea.  
If we keep it  
well, life will  
spring back!

## Ping and the Gang

Dive beneath the waves with Ping the fish! From warm, sunny reefs where pink things cling to the rocks, to icy seas where cod and squid hang on in the deep, the Minecraft ocean is full of wonder. But what happens when junk starts to wreck the sea? Can Ping, Tang, and their gang help life spring back to all things? This decodable reader practices the 'ng' sound in words like 'cling,' 'spring,' 'strong,' and 'brings.'

brings, cling, flings, gang, hang, hangs, long, ping, spring, springs, strong, things, young

### Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at [www.bookbotkids.com](http://www.bookbotkids.com).
