

# CURED

An Unofficial Minecraft Book

Villagers got  
stuck in a  
dark cave.  
They shout for  
help and try  
to be brave.

A zombie  
grabs them  
by the neck.  
It bites and  
leaves them  
in a wreck!

The sun comes  
up, and a  
zombie gets  
struck. It burns  
up quick, but my  
villagers stay  
stuck!

I brew a cure and  
stack it quick, so  
this mix will do the  
trick! The fizz  
smells just like old  
muck, but I will  
check and hope for  
luck!

I go in close  
and chuck it  
quick. It  
smacks them  
hard. The cure  
will stick!

They give me  
good trades.  
A stack. They  
pack my sack  
and wave me  
back.

## Quick! Save Them!

Two wandering villagers have drifted into a dark cave - and something green and groaning is waiting inside! Can a brave hero brew the perfect potion in time? Will one quick throw be enough to save the day, or is it already too late for these poor villagers? Sneak into the shadows and find out! This decodable reader practices the ck phonogram in words like 'neck,' 'quick,' 'struck,' 'stuck,' and 'wreck.'

### Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at [www.bookbotkids.com](http://www.bookbotkids.com).
