

She Still Twirls

The kids spin
and twirl. I
just stand
and grin.

I dream of
when I was a
star. My dress
was gold.

I spin up
high.

I jump high.

The world

spins past

me.

I will not
rest.

I grin as

the kids

clap. I stand

tall.

I dream big.

Stars spin.

Bells ring for

me.

Kids ask,
'Was Miss B
swift?' Miss
B just winks.

She Still Twirls

Miss B walks with a cane now, tapping the studio floor while her three young dancers leap and twirl. But what if their gentle teacher once floated across stages in Paris, Tokyo, and New York? What if the quiet woman with the clackety cane hides a dazzling secret? Could a prima ballerina be hiding in plain sight? Step into the studio and find out. This decodable reader practices CCVC/CCVCC blends through words like 'spin,' 'twirl,' 'dress,' 'claps,' and 'stars.'

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
