Steve is the seeker, and he's sure he can find Alex in ten seconds flat. But the fields are full of surprises - a fluffy dog, a grumpy cat, and even a hen stuck in a hole! Can Steve spot his sister before she sneaks home? Will the greatest seeker ever lived give up, or is Alex closer than he thinks? This decodable reader practices VC/CVC short vowels through playful words like 'tag,' 'ran,' 'hid,' 'hen,' and 'dog.'

Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at www.bookbotkids.com.
