# The Birch Patch

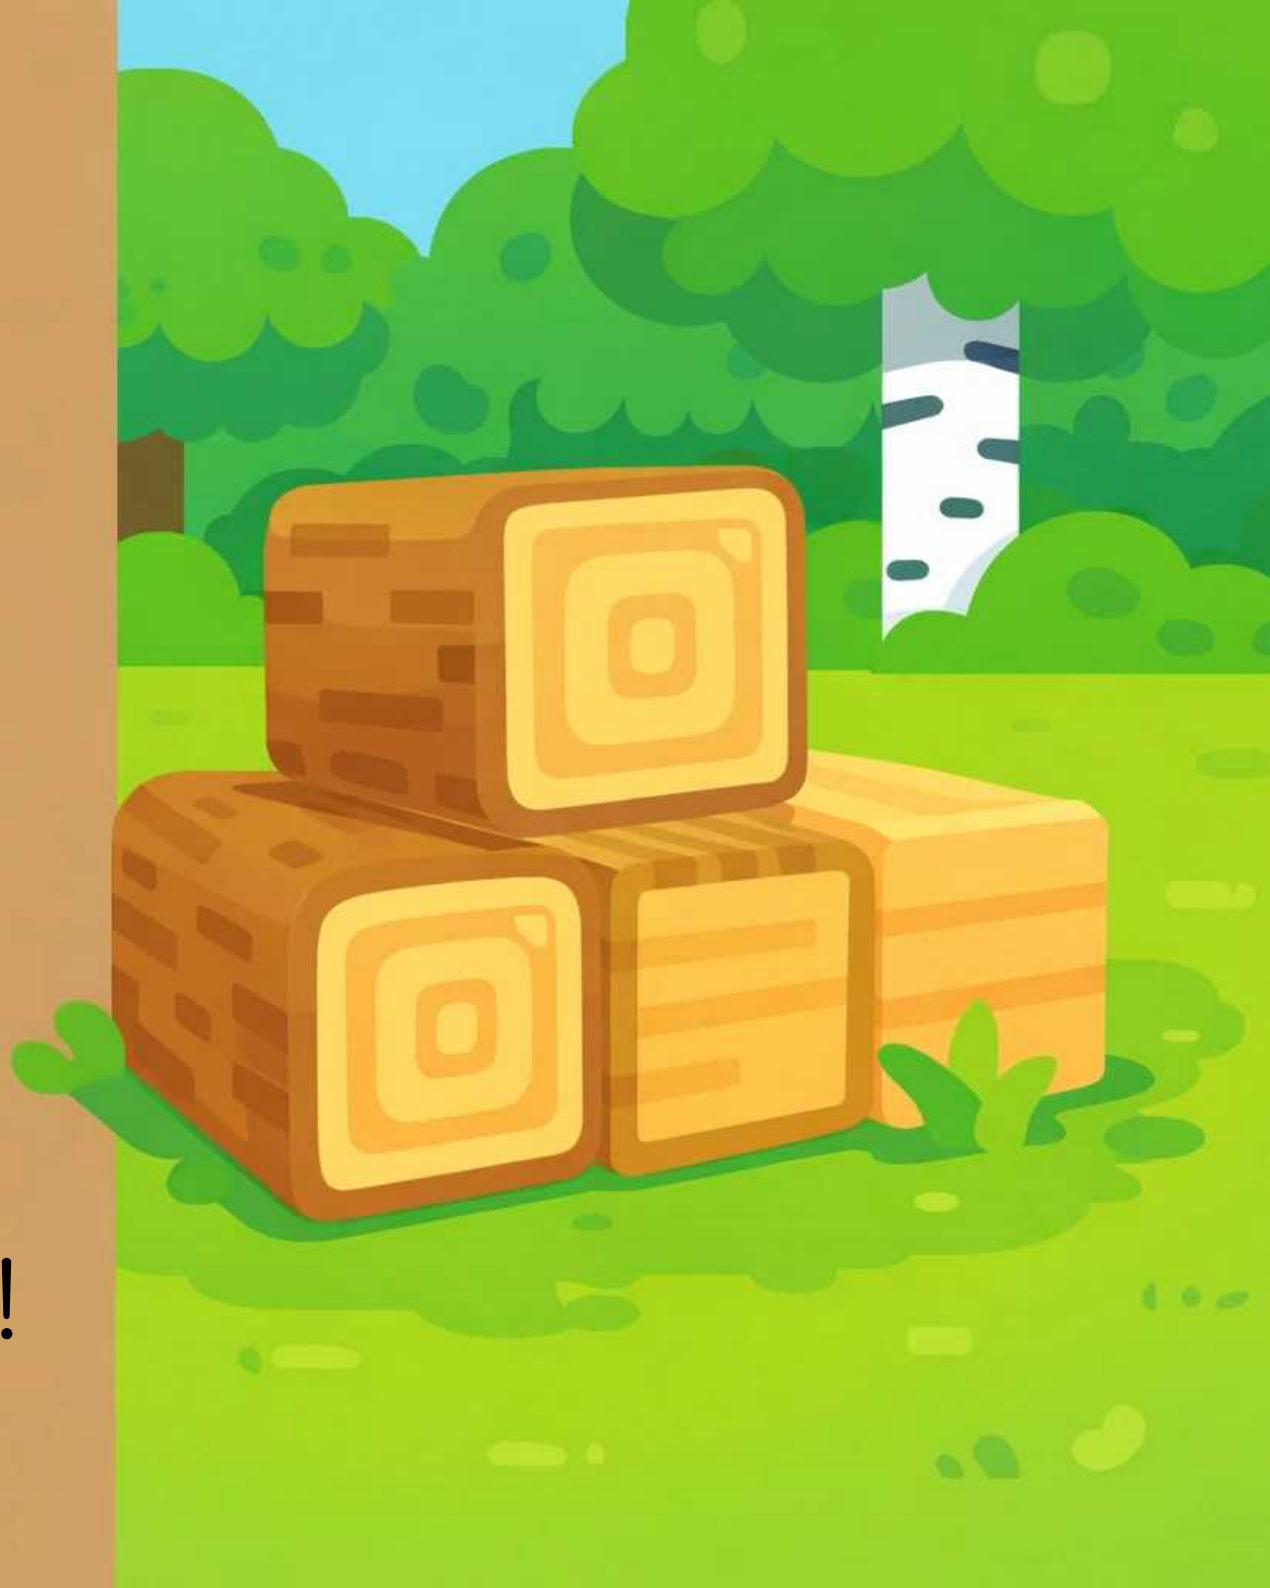

An Unofficial Minecraft Encyclopedia | Minecraft Ecology

Such a rich  
patch of birch  
and oak! It is  
thick with shade.  
Each spot is  
chill and dark.

Chop a tree  
and get logs.  
Craft much  
stuff from a  
chunk. A  
bench! A chest!

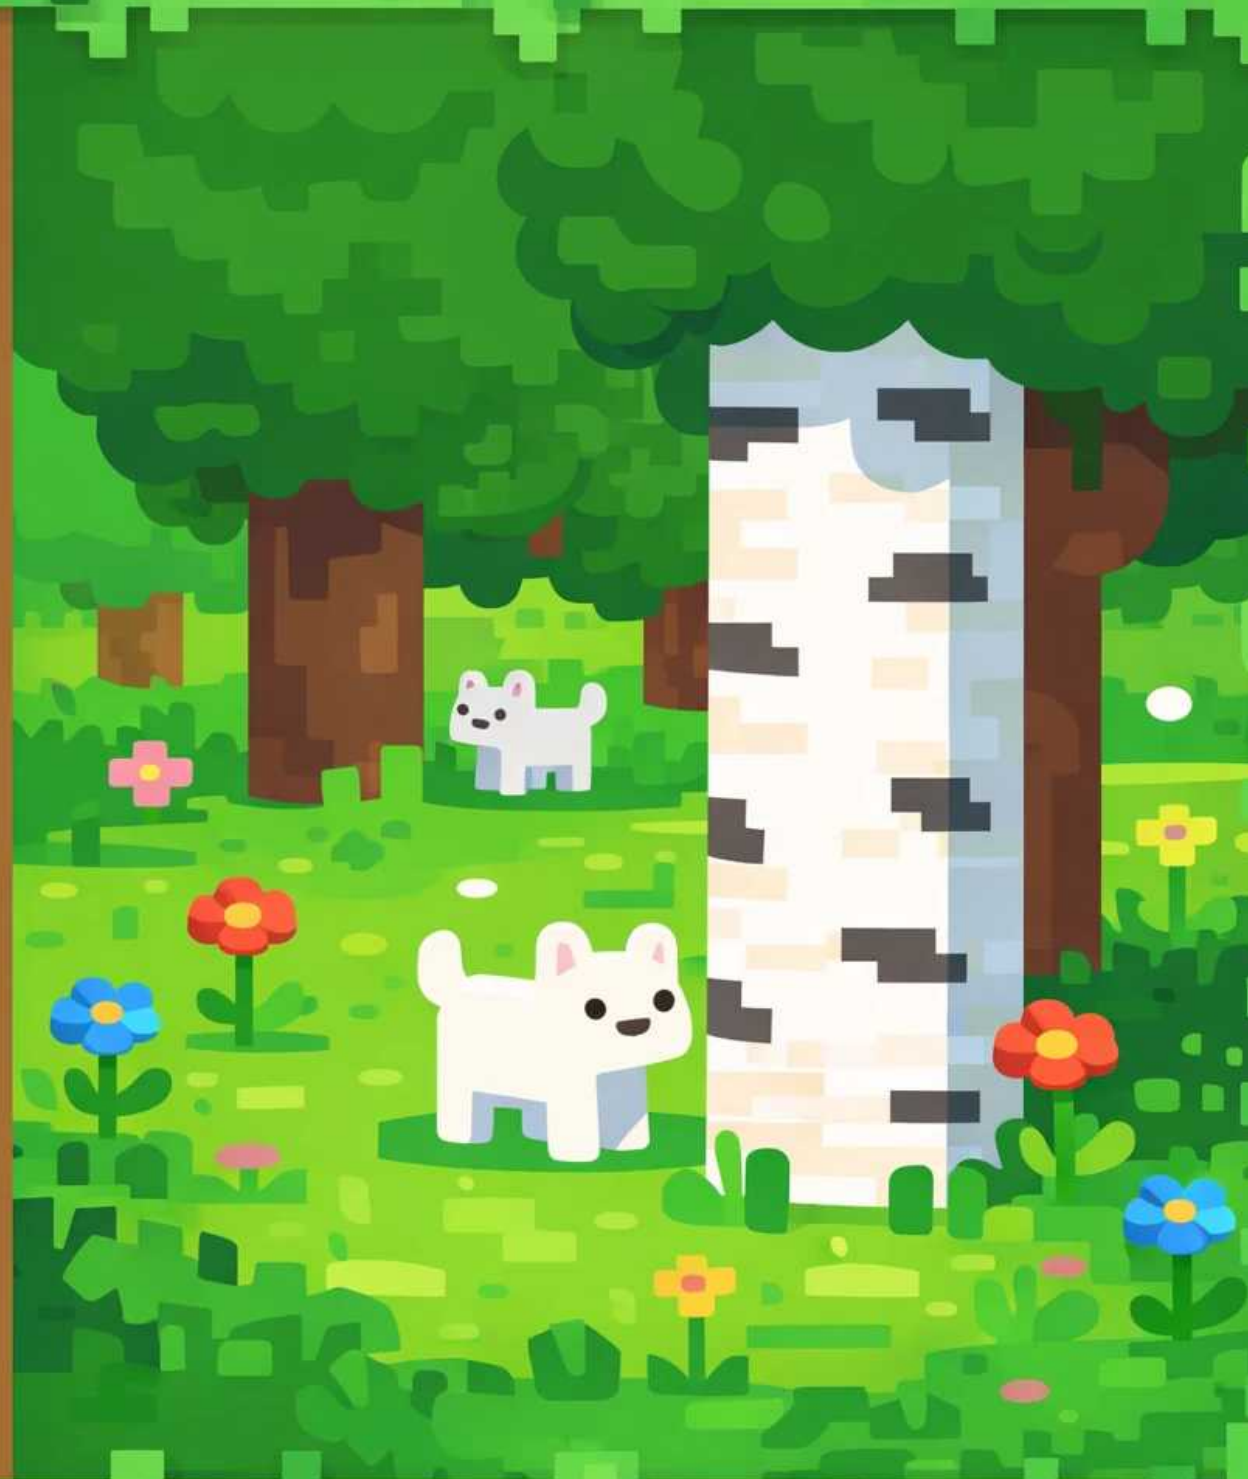

A chill hangs in the forest. It is dim in such a thick patch.

Mobs hide in the dark, so watch close!

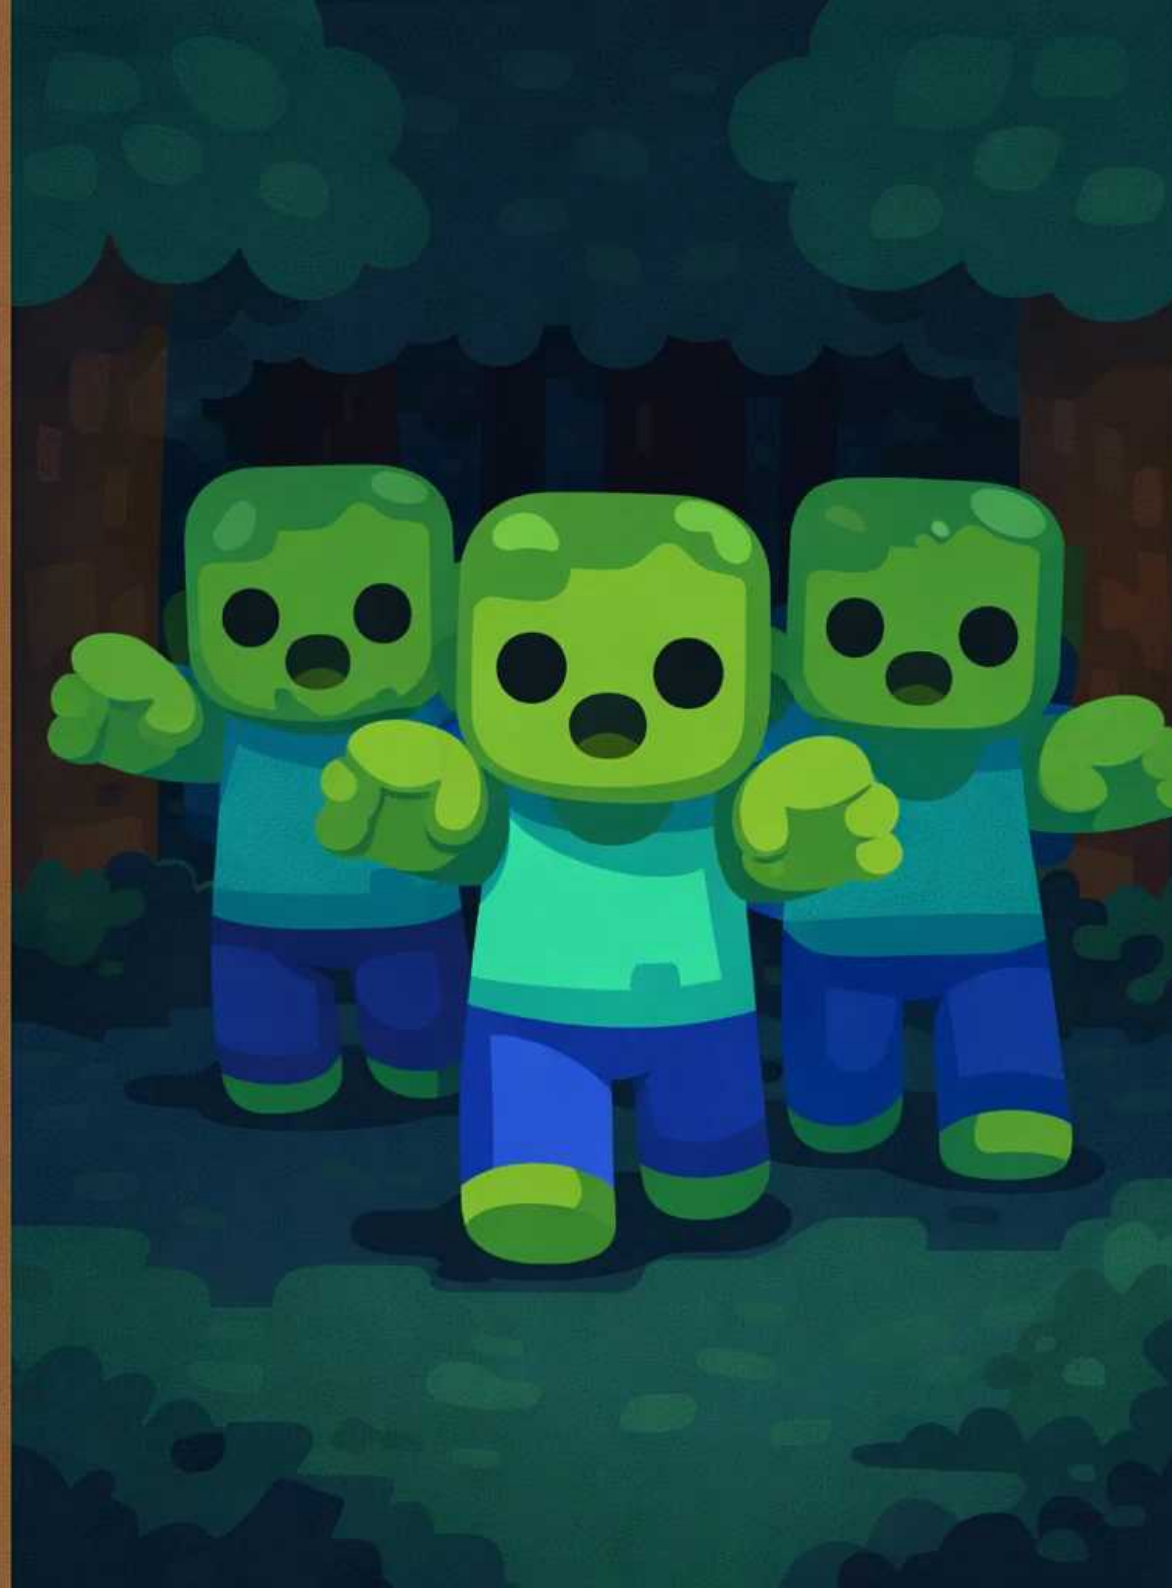

But in the sun, a forest has such charm! Each white birch shines. Rich flowers dot the grass.

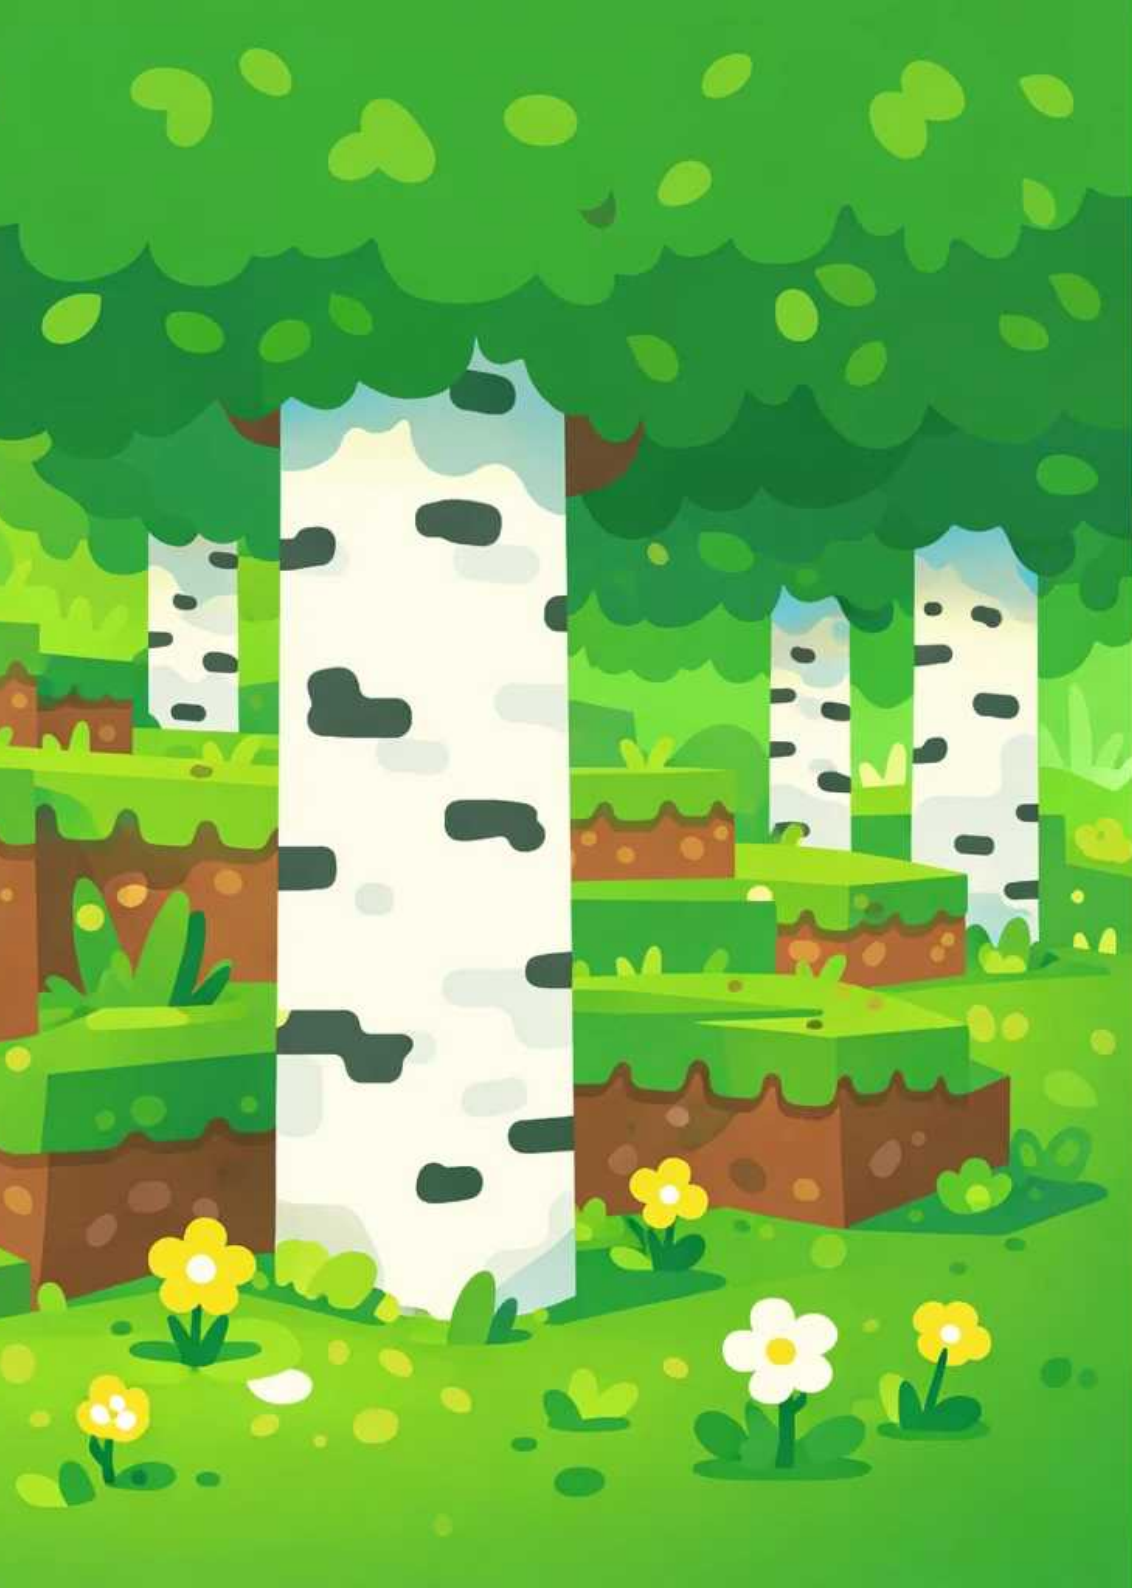

Dark oak trees  
stand tall. Each  
log has rich,  
dark wood. Chop  
a chunk, and it  
can do so much!

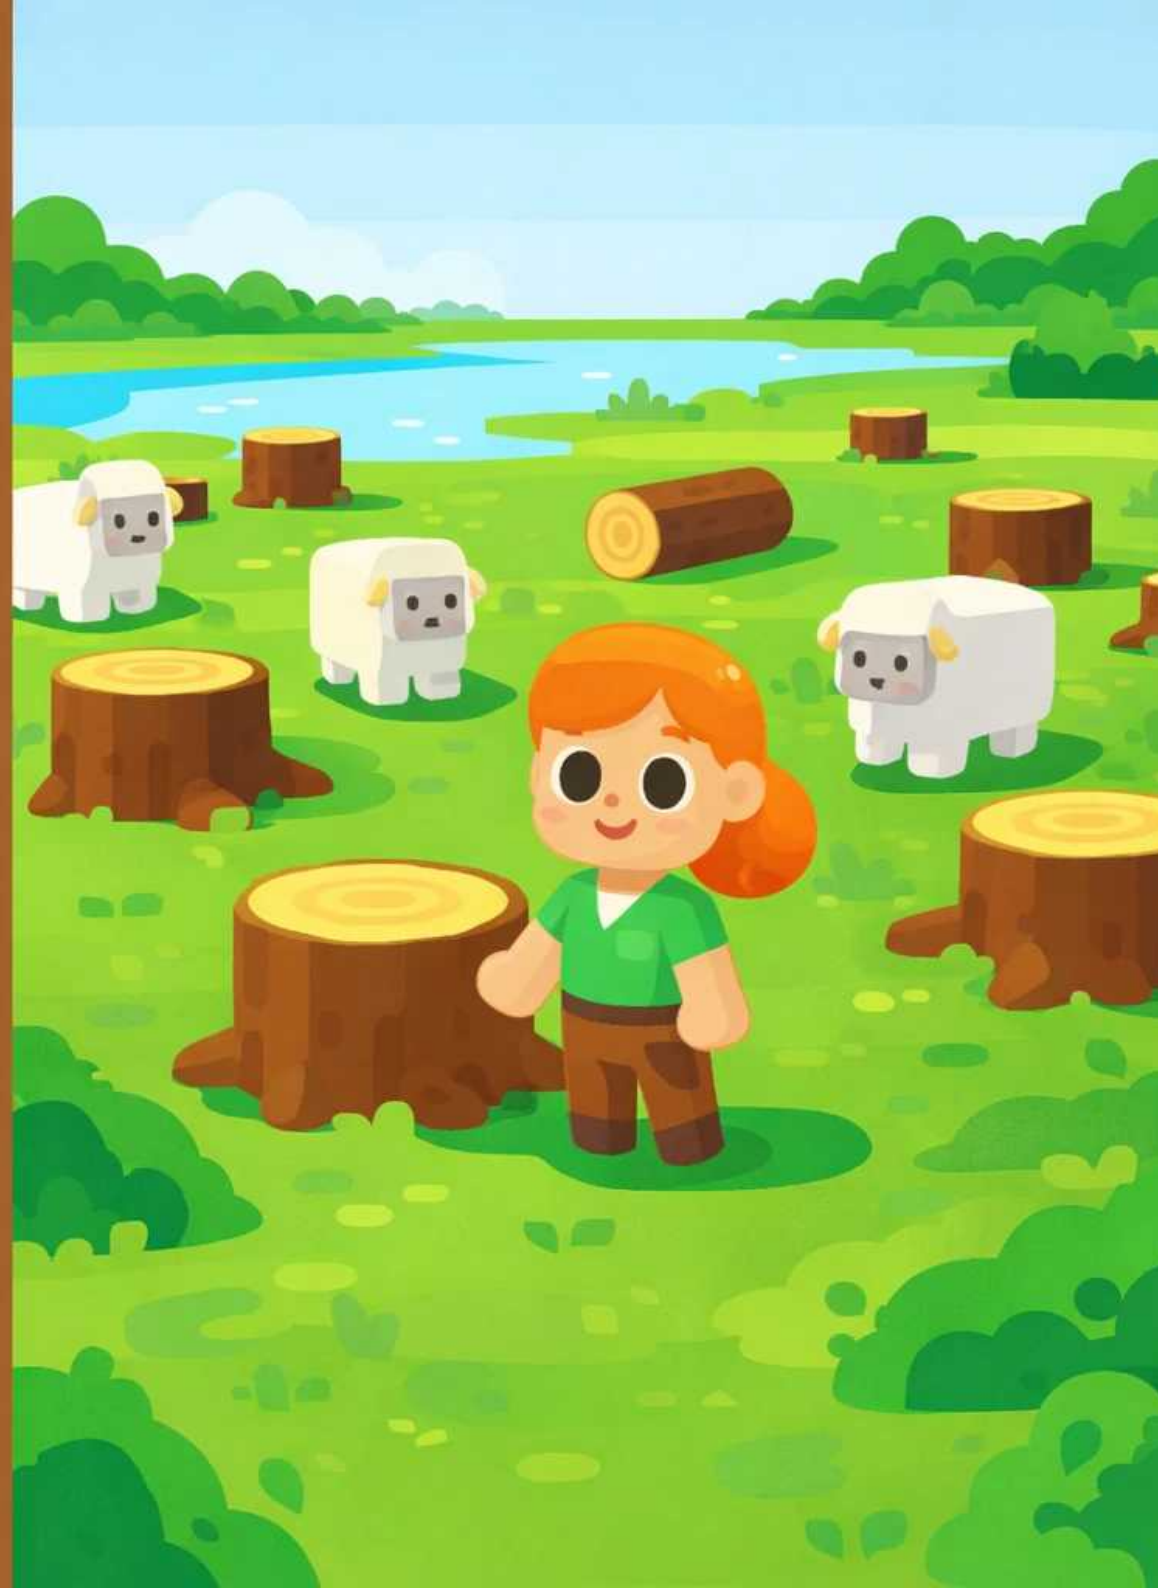

No sun gets in  
the dark forest.  
Mobs hide  
there, so watch  
well! Such a  
spot has a chill.

This birch patch  
holds so much!  
Seeds and  
flowers fill the  
rich land. Reach  
in and grab a  
big chunk.

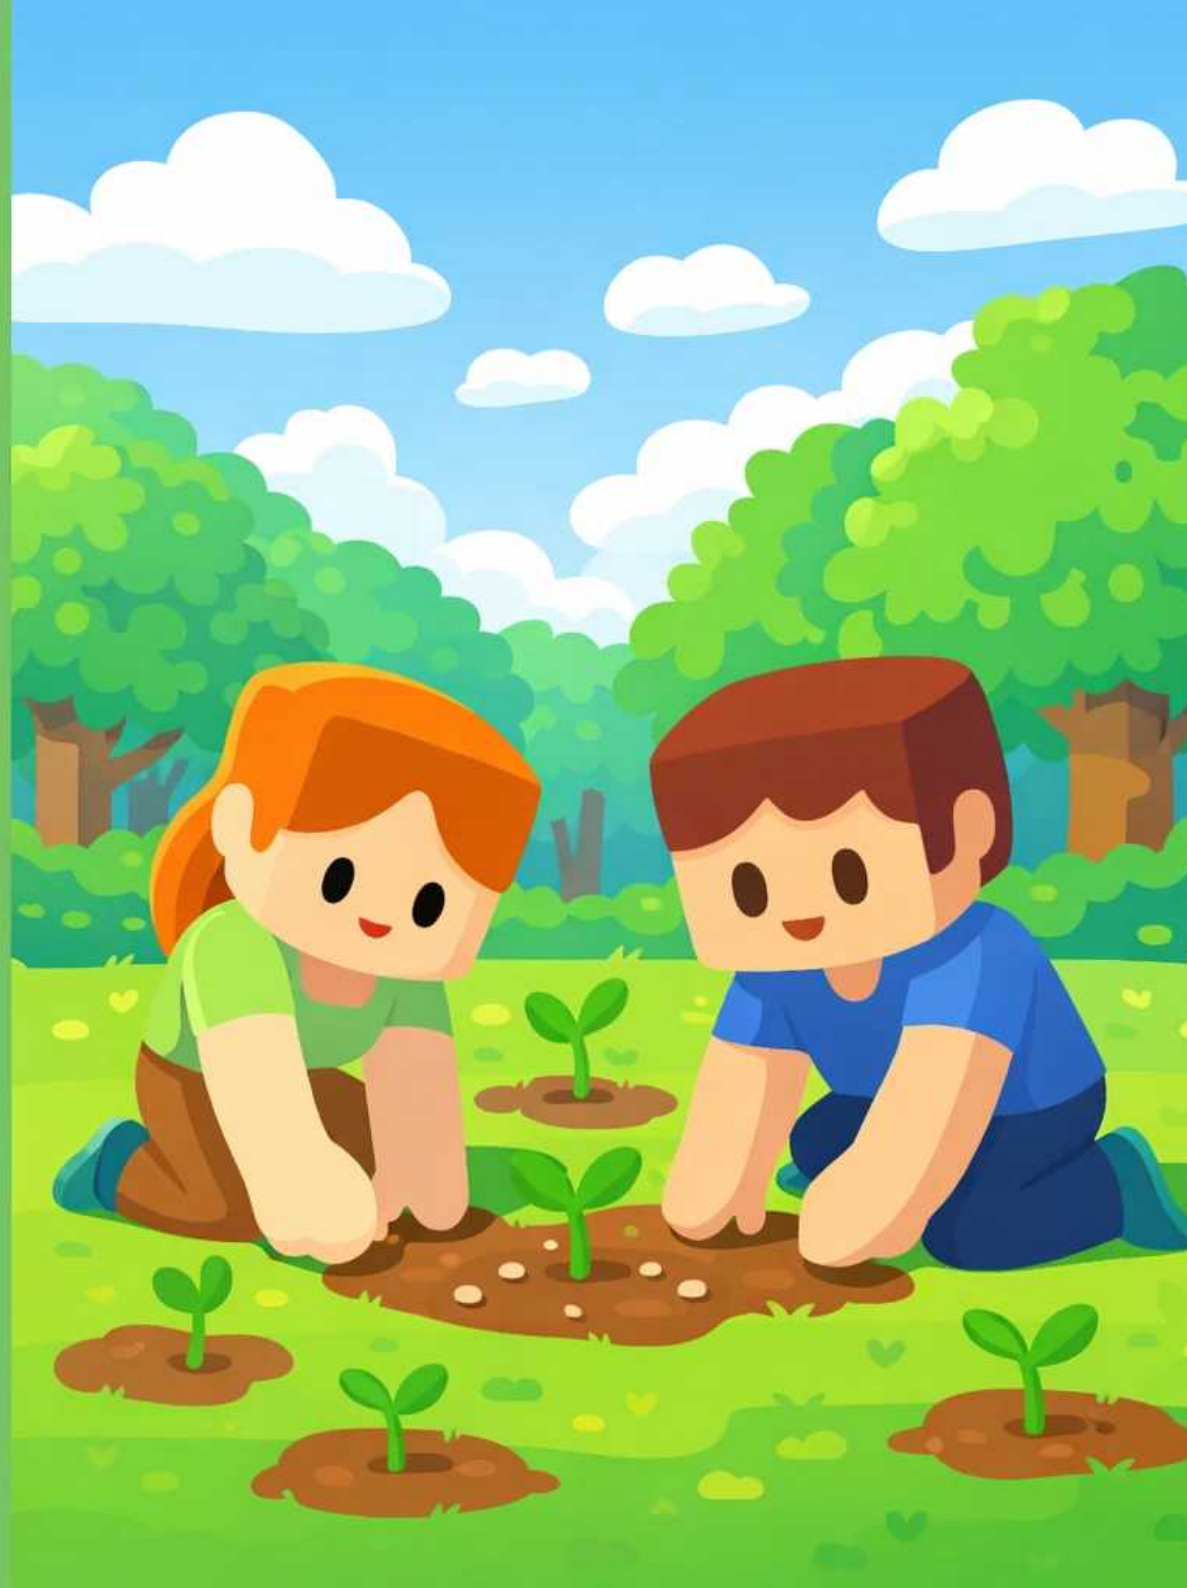

Chop just a  
small patch.  
Such a big chop  
can dry the land.  
Watch the patch,  
and do not chop  
much.

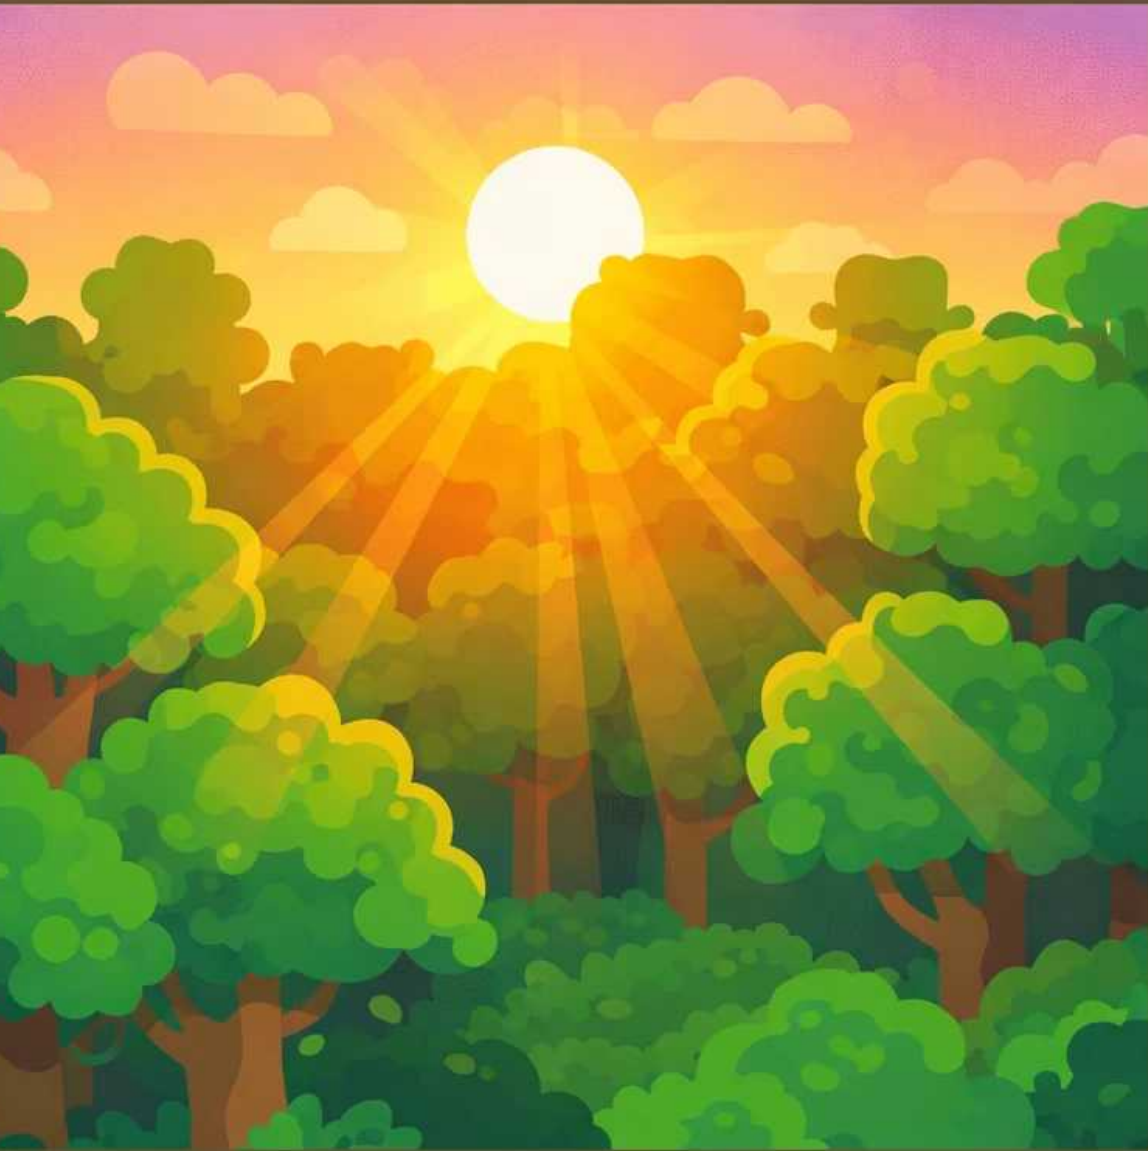

A pig and a  
sheep flinch.  
No trees are  
left. No home,  
no lunch!

We plant  
seeds. Watch  
each one  
reach up! The  
birch patch is  
rich and full.

Trees help so much. Plant them, and the world is lush and green! Such a fine gift for us all.

## The Birch Patch

Have you ever stood beneath a tall birch tree and felt the cool shade on your face? Step into the forests of Minecraft, where each patch of trees holds charm, chill, and surprise! Why do players chop so much wood in their very first minutes? What hides behind the trunks of a dark oak forest, waiting to make you flinch? Grab your axe and reach for adventure! This decodable reader practices the 'ch' sound in words like 'birch,' 'chop,' 'chunk,' and 'patch.'

Reading Skills: <ch>

birch, charm, chill, chop, chunk, each, flinch, much, patch, reach, rich, such, watch

### Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at [www.bookbotkids.com](http://www.bookbotkids.com).
