## The Cursed Emerald Part 2

Steve has a shiny red gem - but something is very strange about it. Why do the villagers back away when he holds it up? Why does the cat freeze solid right at his knee? Steve only wanted a hot lunch, but this little green stone might be more trouble than any rumbling belly is worth. What will Steve do when he finds out the truth? This decodable reader practices VC/CVC short vowels with words like 'hid,' 'ran,' 'cat,' and 'sat.'
