

Thump  
Thump  
Thump!

Thump!  
Those  
dinosaurs!

They were  
big and small.

Some went with  
pals.

Some  
went with  
none.

Some had length from nose  
to tail. They went through  
the grass. The warm sun  
was on their backs.

Then  
some  
were  
fast.

These had  
twins with  
them in  
the plants.

A thin dinosaur  
went through the  
ferns. Its arms  
were small. It  
held its long tail  
out at the back.

This big  
dinosaur got up  
on two legs. It  
can grab a  
snack with its  
hands. Then it  
sits back.

These  
went on  
two.

These  
three had  
a thought!

Their thought?  
Thanks for those  
dinosaurs! This  
big dinosaur  
stands tall and  
glad, and lets  
out a long call.

# Thump Thump Thump!

THUMP! Can you hear the dinosaurs coming? Meet a boastful T-rex and a whole crowd of amazing creatures - some big, some small, some thin, some with mighty long necks that stretch up to the clouds. Who hunts in packs? Who has tiny twins hiding in the plants? And which dinosaur might actually be related to a chicken? Stomp along and find out! This decodable reader practices the 'th' sound in words like 'thump,' 'those,' 'through,' 'thanks,' and 'three.'

Reading Skills: <th>

## Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at [www.bookbotkids.com](http://www.bookbotkids.com).
