## Tik and the Big Cat

Tik the mouse has found the perfect house - quiet, cozy, and empty! But what is that strange round creature sitting on the desk, claiming to be a mouse too? It has no whiskers, no paws, and a cord for a tail! When a very big, very hungry cat comes padding in, can these two mismatched mice possibly help each other? This decodable reader practices VCC/CVCC words such as 'desk,' 'fast,' 'help,' and 'best.'

### Learn to read with confidence

The Bookbot app and its carefully designed decodable books help children practise the sounds and words they are learning, building strong phonics and reading skills one step at a time. In the app, children can listen to stories read aloud, follow highlighted words as they are spoken, and read independently when they are ready. Together, the decodable books and oral reading support help develop accuracy, fluency, confidence and a love of reading. Learn more at [www.bookbotkids.com](http://www.bookbotkids.com).
